AMI has gone two years and over 800,000 hours without lost time accident

(Thornton, CO - July 1, 2010) AMI Mechanical has not had an injury for two years and counting and in 2010 was awarded Hispanic Contractors of Colorado Large Subcontractor – Safety Award, an award they have won 5 times.

Beginning with the hiring of Safety Director Joaquin Guillen in 2006, AMI instituted numerous new policies and modifications to others to insure workers safety and create an environment to empower employees to work safe. Under Guillen's leadership the company has lowered its MOD rate over 25% in three years.

Founded in 1991, AMI Mechanical is a locally owned full service Mechanical Contractor headquartered in Thornton, Colorado. In business for 20 years AMI specializes in comprehensive Design Build contracting with over 40 Million in annual billings. Recent completed projects include: a 200,000 SF Campus Housing project at UNC, a 250,000 SF Manufacturing Plant for Vestas Nacelle and a NIST Central Plant Project with over 3000 tons of cooling.
