LA Group awarded \$210 Million Design Build Energy Conservation Investment Program (ECIP) MATOC contract.

(Thornton, CO. April 27, 2011) the LA Group, comprised of AMI Mechanical Inc. and LEI Companies, was just awarded a \$210 Million, 5 year ECIP MATOC contract. This design build contract will include renovation work and modifications to existing Mechanical, Electrical and Building Systems that incorporate significant energy conservation features as determined by the LA Group and the United States Government.

AMI Mechanical and LEI Companies have teamed with Heery International, a large Design Build Engineering and Management Group and MKK, a Colorado Based Engineering Firm, to provide all General Construction, Architectural, Mechanical and Electrical Engineering for the project.

The Company is very excited to be part of the ECIP MATOC. Mike Langley, Program Manager for the LA Group, has been selected to head the Design Build Team.

Founded in 1991, AMI Mechanical is a locally owned full service Mechanical Contractor headquartered in Thornton, Colorado. In business for 20 years AMI specializes in comprehensive Design Build contracting with over \$40 Million in annual billings. Recently completed Design Build projects include: a 200,000 SF Maintenance Facility in Fort Carson, a 98,000 SF Operations Plant for the City and County of Denver and a 17 story Convention Center Hotel in Downtown Denver.

AMI Mechanical is located at:
12141 Pennsylvania Street
Thornton, CO 80241
