AMI Mechanical awarded new Design Build Projects

(Thornton, CO – July 15, 2010) AMI Mechanical celebrating 20 years of quality design build construction services in Colorado has been selected to lead the Mechanical and Electrical Design Build for The Metro State Hotel and Hospitality Learning Center and Denver Housing Authority – 1099 Osage and Block 5 projects. The awards totaling \$16 million are scheduled to begin immediately with a completion date in late 2011.

AMI Mechanical was awarded the projects based on the strength of its team and expertise in hotel and affordable housing design and construction. The company will be the lead design-build contractor for the entire Mechanical, Electrical and Plumbing systems and is partnering with LEI Companies, an electrical contractor and local engineers BCER and MKK.

AMI Mechanical anticipates a large percentage of their work will be subcontracted to small businesses locally and will create a significant number of jobs during design and construction

Founded in 1991, AMI Mechanical is a locally owned full service Mechanical Contractor headquartered in Thornton, Colorado. In business for 20 years AMI specializes in comprehensive Design Build contracting with over 40 Million in annual billings. Recent completed projects include: a 200,000 SF Campus Housing project at UNC, a 250,000 SF Manufacturing Plant for Vestas Nacelle and a NIST Central Plant Project with over 3000 tons of cooling.

AMI Mechanical is located at:
12141 Pennsylvania Street
Thornton, CO 80241
