AMI will celebrate 20 years in business and roll out new marketing effort

(Thornton, CO - July 1, 2010) AMI Mechanical will enter its 20th year in business and to celebrate this important occasion the company will roll out a new logo along with updated marketing material for all divisions including Construction, Service, Facilities and Program Management.

The organization would like to acknowledge all participants in its success including employees, clients, vendors as well as the professional community. We also want to thank our mentors, Ted Shreve, Bill Caile and Denis Miller for their encouragement and guidance.

Founded in 1991, AMI Mechanical is a locally owned full service Mechanical Contractor headquartered in Thornton, Colorado. In business for 20 years AMI specializes in comprehensive Design Build contracting with over 40 Million in annual billings. Recent completed projects include: a 200,000 SF Campus Housing project at UNC, a 250,000 SF Manufacturing Plant for Vestas Nacelle and a NIST Central Plant Project with over 3000 tons of cooling.
